**CLASSIFICATION OF MATERIAL ON THE RADIOBIOLOGICAL SURVEY OF THE BIKINI AND ENTRIXOR LAGOONS**

As the result of recent releases on the Suwalki experiments and discussions with the Army Department, the Division of Military Application and War Office, it is proposed to reduce the classification of this material to RESTRICTED.

Accordingly, it is requested that you change classification of letter from Mr. John D. Ladd, Jr., purposed to you from Mr. Tolson, and attachment, letter dated March 30, 1941, to  
Mr. Tolson, and attach same to this file. Please figure this  
top secret, the subject. Any other material which you have  
pertaining to this subject should also be declassified down to  
RESTRICTED.

James McCormick, Division of Military Application

August 4, 1946

Shields Warren, Division of Biology and Medicine

CLASSIFICATION OF MATERIAL ON THE RADIobiOLOGICAL SURVEY OF THE BIKINI AND ENIVETOK LAGOONS

As the result of recent releases on the Enivetok experiments and discussions with the Navy Department, the Military Liaison Committee and your office, it is proposed to reduce the classification level to RESTRICTED.

Accordingly, it is requested that you change the classification of letter dated March 20, 1946, with Dr. McCormick, addressed to Dr. Russell from Dr. J. A. Wilson from the Director to RESTRICTED. Any other material which you have pertaining to this subject should also be reclassified to RESTRICTED.

Very truly yours,

Upon nomination of the Director, the classification of the material will be changed to RESTRICTED. This action will be taken in accordance with the policy of the Bureau of Medicine and Surgery.

Very truly yours,

To RWS  
from  
NMB-2

Shields Warren, D.Sc.  
Director, Division of  
Biology and Medicine
